Terms of Services

How this works:

You are responsible to pay for the pet's exam.

DO NOT go to the vet and assume Jazzy & Mumbos will pay the bill. You must be APPROVED first.

Volunteers are not allowed to give out approvals. We DO NOT give out money to anyone but the vet. If the bill exceed \$500.00 or more, we may do fund raisers.

Amounts paid out will determined after an evaluation of each case and the funding availability.
